**Reference 2:** Market research by Coloplast in the Netherlands. 170 Peristeen users. March 2015

Elodie, can you please insert the specific graph that we refer to? Only that one and not the whole report. Also it's in Dutch so we need to put it in English or Germany needs to translate it from Dutch to Deutsch ;)

**Reference 3:** Research by Coloplast. 123 Peristeen users in the UK and Germany. November 2015
